Our school

Our school was founded in 1964. Nowadays, the school is attended about 450 pupils and the school staff consists of 28 teachers and educators.

Computer studies

The school has been providing extended ICT teaching since 2002/2003 for the second grade in the selective classes.

Computer studies

Our pupils work with robotics, programme, process information in the form of text, table, graph, computer science. Of course, work in cloud - we use Google Suite.
